ORDER

Adopted: March 9, 2005

Released: March 10, 2005

By the Telecommunications Access Policy Division, Wireline Competition Bureau:

1. The Telecommunications Access Policy Division has under consideration Requests for Review filed by Camden Catholic High School, Cherry Hill, New Jersey; Carlisle Area School District, Carlisle, Pennsylvania; and Yeshivat Ateret Torah, Brooklyn, New York (collectively, Petitioners).¹ The Requests for Review seek review of decisions by the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (Administrator). Consistent with precedent, we deny the Requests for Review. To the extent that the Petitioners request a waiver of the Commission's rules, we deny those requests as well.

2. Each of SLD's decisions at issue in the Requests for Review involves denial of funding on the grounds that the Petitioners filed their Funding Year 2002 FCC Form 471 application after the close of the filing window deadline. In the Requests for Review, each Petitioner concedes it filed the FCC Form 471 application after the close of the filing window.²

3. Consistent with precedent, we deny the Requests for Review. The Commission's rules allow the Administrator to implement an initial filing period for the FCC Form 471 applications that

¹ Letter from Pat Brown, Camden Catholic High School, to Federal Communications Commission, filed March 17, 2003; Letter from Kathy Fissel, Carlisle Area School District, to Federal Communications Commission, filed April 8, 2003; Letter from Rabbi Chaim Weinberg, Yeshivat Ateret Torah, to Federal Communications Commission, filed April 8, 2003 (collectively, Requests for Review).

² The filing window deadline for Funding Year 2002 applications was January 17, 2002. See Universal Service Administrative Company (USAC) website for Minimum Processing Standards and Filing Requirements for FY 5, <<http://www.sl.universalservice.org/reference/471mps.asp>>.

treats all schools and libraries filing within that period as if their applications were simultaneously received.³ We have strictly and consistently enforced the filing window deadlines for FCC Form 471 applications.⁴ Allowing applicants to file incomplete or late applications, and have those applications considered timely, would be unfair to the applicants who diligently filed their complete applications in a timely fashion. Because we find that the Petitioners' FCC Form 471 applications were filed outside of the window, we deny the Requests for Review.

4. To the extent that Petitioners additionally ask us to waive our rules in this instance, we also deny their requests.⁵ Waiver is appropriate only if special circumstances warrant a deviation from the general rule, and such deviation would better serve the public interest than strict adherence to the rule.⁶

5. We find that the Petitioners have not demonstrated special circumstances to warrant waiver. The Commission has strictly enforced filing deadlines, allowing waivers of deadlines only in very limited and compelling situations.⁷ In light of the large number of applications that SLD reviews and processes each year, it is administratively necessary to place on the applicant the responsibility of complying with all relevant rules and procedures, including filing deadlines.⁸ Hence, employee illness, staff failure to perform a job properly, inclement weather, or misunderstanding of the rules does not relieve applicants of their responsibility to comply with the Commission's rules and procedures.⁹ Further,

³ Section 54.507(c) of the Commission's rules states that fund discounts will be available on a first-come-first-served basis. Applications that are received outside of this filing window are subject to separate funding priorities under the Commission's rules. 47 C.F.R. § 54.507(c) and (g).

the assertion that denial of an application may have a detrimental impact on an applicant does not create special circumstances or suggest particular facts that warrant a waiver of the Commission's rules.¹⁰ In keeping with our prior decisions, we determine that the Petitioners here have not demonstrated the special circumstances necessary for a waiver of our rules.

6. ACCORDINGLY, IT IS ORDERED, pursuant to authority delegated under sections 0.91, 0.291, 1.3, and 54.722(a) of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291, 1.3, and 54.722(a), that the Requests for Review filed by Camden Catholic High School, Cherry Hill, New Jersey, on March 17, 2003; Carlisle Area School District, Carlisle, Pennsylvania, on April 8, 2003; and Yeshivat Ateret Torah, Brooklyn, New York, on August 7, 2003, respectively, ARE DENIED.
